

1. Common part of the questionnaire

Completed by the chairman or one of the senators in cooperation with the others!

Hello!

You have just received a questionnaire examining particular aspects of students' life at our university. It serves as a part of a comparative study that will be carried out at several universities in the Czech Republic, Hungary, Poland and Slovakia. The study is a part of a project supported by the International Visegrad Fund (www.visegradfund.org). The project objectives are to fulfil the Bologna Declaration statements concerning students and unification of the process of EU university students' autonomy in the V4 countries.

Results of the project will be presented on a workshop in the Czech Republic, which will students from the partnership universities and national student organisations¹ participate in. It will be also possible to find the results at our web sites www.acsa.vutbr.cz and in a workshop proceeding that will be published in October 2004 and will contain summarizing material of the whole project.

Please answer the questions one by one; always mark the answer that is closest to your opinion. The questionnaire consists of two parts (I. and II.). All student senators should fill in the first one together (quest_I) as we consider useless to ask about some general things each of you individually. On the other hand the second one (quest_II) must be filled in by each of you separately.

We try to fasten our work and make it more effective. That is why we prefer electronic means of communication. This document is protected against changes. You can only fill in your answers. Do not forget to save your questionnaire after completion and return it to the person who sent it to you, or send it directly to: jacikova@acsa.vutbr.cz

And one request at the end. If you know about similar research in your country, please send us a contact. That will save time to us as well as to you.

If you have any questions or comments, please contact me via email jacikova@acsa.vutbr.cz or phone number +420 541 145 134.

Thank you for your cooperation!
